MEMORANDUM FOR: Deputy Director for Administration

FROM : William E. Wells
Deputy Director for Operations

SUBJECT : Proposed Travel of Lt. General Vernon A. Walters to Argentina

REFERENCES : A. [redacted] 8 September 1976
B. [redacted] 8 September 1976

3.3(b)(1)

1. During a conversation with the Director on 31 August 1976, Ambassador Robert C. Hill spoke of the need for the U.S. Government to relay its concern to the Argentines about the excesses which are being committed in the struggle against terrorism and the instances of anti-Semitic activity which recently have been reported. As explained in the reference messages, copies of which are attached, Ambassador Hill felt that General Walters would be the most appropriate emissary through which to convey such concern. The undersigned concurred in this request and the Director approved the travel of General Walters subject to the concurrence of the Department of State. Assistant Secretary of State Harry W. Shlaudeman has endorsed this proposal.

2. Tentative plans call for General Walters to travel to Argentina during the week of 12 September. In light of some recent development, Ambassador Hill will be asked to revalidate his request before General Walters departs on this trip.
